

SHOTTESBROOKE

Farmer's Friend

BY SHOTTESBROOKE

Stoic and enduring, the Straw Necked Ibis is the ultimate Farmer's Friend. Protecting our vineyards from the omnipresent threat of pests and insects, they work diligently within the canopies, allowing them to thrive. Their harmonious place within our ecosystem forms the perfect partnership.

VINTAGE DETAILS

Regarded as one of the wettest growing seasons on record, 2017 experienced high levels of rain, which helped to flush soils and ensure minimal irrigation was required. This saw the growth of beautiful, lush and healthy canopies, slightly above average yields and resulted in a later than usual harvest. The fruit from this vintage showed excellent colour, character and optimum varietal flavour.

TASTING NOTES

Colour	Deep red with a vibrant purple hue
Nose	Aromas of redcurrant and satsuma plum intermingle with delicate herbal tones
Palate	Concentrated black fruits and cassis characters are underpinned by a touch of subtle mint, and the wine finishes soft, silky and with wonderful length
Cellaring	Drink now until 2023
Enjoy with	Roast lamb with mint sauce & roasted root vegetables

Region : Langhorne Creek

Vintage : 2017

Variety : Cabernet Sauvignon

Alc/Vol : 14.5%

pH : 3.58

Acidity : 6.14 g/L
